Rouen: the near miss

The lamb, towers, and fleurs-de-lis make Rouen a striking near match, pulling the search north before the cathedral reinterpretation.

1

Madrid first?

A presumed bear and strawberry tree sends the search to Madrid, with Teruel and Córdoba briefly raised as Spanish alternatives.

Madrid

MODEL CONCLUSION

Strasbourg

The model settles on Strasbourg after reading the façade as its cathedral and the animal as an Alsatian stork, displacing the much closer Rouen match.

CORRECT ANSWER
